I'm feeling disillusion  
And I can't stop thinking 'bout you now  
Your sex is so diluted  
And your love will put me in the ground

Until you take it away  
Turn all this love into hate  
And then you leave me here dying

You're heartless, stop this game  
You're just a little bit  
I can be your star  
Let me take a hit of it  
Gimme just a little bit  
I can be your lie today

This power's an illusion  
You can't stop thinking 'bout me now  
I let you think I'm losing  
This time I've got you figured out

It's an addiction to you  
But it's a habit I choose  
I even like when you're lying

You're heartless, stop this game  
You're just a little bit  
I can be your star  
Let me take a hit of it  
Gimme just a little bit  
I can be your lie today

I'm feeling disillusion

You're heartless, stop this game  
You're just a little bit  
I can be your star  
Let me take a hit of it  
Gimme just a little bit  
I can be your lie today

Just a little bit  
Just a little bit

I can be your star

I can be your lie today

You're heartless, stop this game  
You're just a little bit  
I can be your star  
Just let me take a hit of it  
Gimme just a little bit  
Just take a hit of it  
Just a little bit
