Right under my feet  
There's air  
Made of bricks  
Pulls me down  
Turns me weak  
For you  
I find myself  
Repeating like  
A broken tune  
And I'm forever  
Excusing  
Your intentions  
And I give in  
To my pretendings  
Which forgive you  
Each time  
Without me knowing  
They melt my heart  
To stone

[Chorus:]  
And I hear your words  
That I made up  
You say my name  
Like there could be an us  
I best tidy up my head  
I'm the only one in love  
I'm the only one in love

Each and every time  
I turn around to leave  
I feel my heart  
Begin to burst  
And bleed  
So desperately  
I try to link it  
With my head  
But instead  
I fall back  
To my knees  
As you tear your way  
Right through me

I forgive you  
Once again  
Without me knowing  
You've burnt  
My heart to stone

(Chorus)

Why do you  
Steal my hand  
Whenever  
I'm standing  
My own ground  
You build me up  
Then leave me dead

Well

(Chorus)
