[Verse 1: adele]

Right under my feet is air made of bricks
That pulls me down turns me weak for you
I find myself repeating like a broken tune
And I'm forever excusing your intentions
And I give in to my pretendings
Which forgive you each time
Without me knowing
They melt my heart to stone
And I hear your words that I made up
You say my name like there could be an us
I best tidy up my head I'm the only one in love
I'm the only one in love

[Verse 2: kanye west]

And I will be trying to come around my girl acting like
mister friendly
And steal the spotlight like mr. bentley
I spotted her like spud mckenzie
And for them fake boobies I paid them benjies
Get your own, I got paris he got nicky he tried to get em
a clone
He said yeah you know you got extra hoes
And everything you do is extra cold
From the polo fleece to the jesus piece
I got family in high places like jesus' niece
Can I please, say my peace
If y'all fresh to death, then I'm deceased
And this one here, is a heat rocks
Spit like a beat box, the way the beat rocks
New version of pete rock!
But for that benz I get cl love
So I switch my girls around like 3lw
I'm calling

[Bridge: adele]

Why do you steal my hand
Whenever I'm standing my own ground
You build me up, then leave me dead ooh-oh
I hear you

[Outro: kanye west]

And yes yes y'all's one, two's
The beat won't stop
And yes yes y'all's one, two's
The beat won't stop
