So fake that, you hate it;  
A city that seems so jaded.  
I can't, I can't end up like that.

It's all about what you're driving you know.  
In a second, it'll swallow you whole.  
So fast, just like that  
You're way off track.

To all you, who want to.  
(You want to, it just ain't worth it).  
To all you, who need to.  
(You need to know).

I don't give a fuck that you can't stand me,  
I've finally had enough of what you're saying.  
Now you're talking tough, 'cause you back-stabbed me,  
You're my derailment.

So sick and so shameless.  
So I'd never stop by saying,  
Do you know, you know, who I am?  
It's not about what you're driving you know.  
'Cause when it's gone you'll be standing alone.  
So fast, just like that,  
You can't go back.

To all you, who want to.  
(You want to, it just ain't worth it).  
To all you, who need to.  
(You need to know).

I don't give a fuck that you can't stand me,  
I've finally had enough of what you're saying.  
Now you're talking tough, 'cause you back-stabbed me,  
You're my derailment.

It's funny how you lie and try to wreck me,  
It's funny how you're falling on your face.  
I'm never gonna let you disrespect me,  
You're my derailment.

The trains off the track,  
I love you back.

I don't give a fuck that you can't stand me,  
I've finally had enough of what you're saying.  
Now you're talking tough, 'cause you back-stabbed me,  
You're my derailment.

It's funny how you lie and try to wreck me,  
It's funny how you're falling on your face.  
I'm never gonna let you disrespect me,  
You're my derailment.

Where do we go from here?  
If everything's so unclear.

Turned out to be my fault,  
My longest year.

It's too late to turn back time,  
I'll never make it out alive.  
Ending the day I see through all your lies.
