(Verse 1)

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the
dark
Finally I can see you crystal clear
Go head and sell me out and I'll lay your sh*t bare
See how I'll leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the
dark

Chorus 1

The scars of your love remind me of us
They keep me thinkin' that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling, we could've had it all... (You're
gonna wish you never met me)
Rolling in the deep... (Tears are gonna fall rollin' in the
deep)
You had my heart inside of your hand (You're gonna
wish you never met me)
And you played it to the beat (Tears are gonna fall
rollin' in the deep)

Verse 2

Baby I have no story to be told
But I've heard one on you and I'm gonna make your
head burn
Think of me in the depths of your despair
Making your home down there, cause mine sure won't
be shared

(Chorus 2)

The scars of your love remind me of us
They keep me thinkin' that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling, we could've had it all
Rolling in the deep... you had my heart inside of your
hand
And you played it to the beat

Could've had it all... Rollin' in the deep
You had my heart inside of your hand
But you played it with a beating

(Verse 3)

Throw your stone through every open door
Count your blessings to find what you look for
Turn my sorrow into treasured gold
You pay me back in kind and reap just what you sow

(Chorus 3)

We could've had it all... We could've had it all...
It all, It all, It all... We could've had it all...
Rollin' in the deep...
You had my heart inside of your hand
And you played it to the beat
Could've had it all
Rollin' in the deep
You had my heart inside of your hand
But you played it, you played it, you played it, you
played it to the beat
