This is the end,  
Hold your breath and count to ten,  
Feel the earth move and then,  
Hear my heart burst again,

For this is the end,  
I've drowned and dreamt this moment,  
So overdue I owe them,  
Swept away I'm stolen,

[Chorus]

Let the skyfall  
When it crumbles  
We will stand tall  
Face it all together,  
Let the skyfall  
When it crumbles  
We will stand tall  
Face it all together,  
At skyfall  
At skyfall

Skyfall is where we start,  
A thousand miles and poles apart,  
Where worlds collide and days are dark,  
You may have my number, you can take my name,  
But'll never have my heart,

[Chorus]

Let the skyfall (Let the skyfall)  
When it crumbles (When it crumbles)  
We will stand tall (We will stand tall)  
Face it all together  
At skyfall.

[x2]

(Let the skyfall  
When it crumbles  
We will stand tall)

Where you go I go,

What you see I see  
I know I'd never be me  
Without the security,  
Of your loving arms,  
Keeping me from harm,  
Put your hand in my hand,  
And we'll stand.

[Chorus]

Let the skyfall (Let the skyfall)  
When it crumbles (When it crumbles)  
We will stand tall (We will stand tall)  
Face it all together

Let the skyfall (Let the skyfall)  
When it crumbles (When it crumbles)  
We will stand tall (We will stand tall)  
Face it all together  
At skyfall.

Let the skyfall  
We will stand tall,  
At skyfall,  
Ooooooh
