What can I say, what can I do, I'm not in need of
something new.
The way things are seems fine to me.
I am a first class don juan, no second best, just number
one.
Because I am god, yes I'm he.

You won't get rid of me, I am and I will always be your
friend
Forever on, yes forever on

Hello, hear me knocking on your door,
Like a thousand times before.
Hello, I am everyone's best friend.

I'm always with you until the end of time.

I am the one you wish for dead, I am the ache inside
your head,
And a pain in the ass.
I am the slumber in your sleep, I am the one who count
your sheep.
Together we'll have a blast.

You won't get rid of me, I am and I will always be your
friend
Forever on, yes forever on
