"Odd"

This is odd, am I a part of it.
But again, you're full of lies.
Say this is odd, am I a part of it. Ask myself am I too
weak for you.

What if you stayed what if you're world is falling.
Can't get it back, and you let you're self down.

Am I a part of it.
But again, you're full of lies.
Say this is odd, am I a part of it.
Ask myself am I too weak for you.

What if you stayed what if you're world is falling.
Can't get it back, and you let you're self down.

What if you stayed what if you're world is falling.
Can't get it back, and you let you're self down.
What if you stayed what if I layed down softly.
Stood by my side, and made my time worth while.

Sorry, I guess you're not invited.
Sorry, it's time to push the brakes...
