"Pictures Of You"

It's a beautiful day and the birds scream infernally
Layers of your thoughts cover my kitchen floor
All your dreams, all your hopes are like fluids, without
substance
Last in line, tries to be numerous, but fails, of course

As if it were the last time, you tried too hard to stay
awake
You're thirsty now
Drink and stay the same
Morning's broken and so am I
I've got pictures of you in my bucket of hate
Smiling face, worried face but your features are dull
Go to sleep, stay awake, or do like someone else

As if it were the last time...
