"Your Morality Is Broken"

You fucking self-righteous bigot
You teach your children to hate
And forbid them to question

Your morality is broken
Your morality is cruel
Pass your fears onto your children
Your hatred and your prejudice

You fucking disciple of christian values
Your fear has laid the groundwork for oppression

Your morality is broken
Your morality is cruel
Pass your fears onto your children
Your cowardice and greed

If your god exists he's a racist
If your god exists he's a sexist
If your god exists he's a homophobe
Your god is full of hate and your religion is a lie...
