Time is running out for you
Just like the even flow of your own lies
Time was never on your side
But you were too self-righteous to even notice

Your problems are taking over Soon you've got noone on your side

Life wasn't too kind to you I know But it gives you no right to be a martyr Life makes it's own rules But you're far too ignorant to face the truth

Your problems are taking over Soon you've got noone on your side You're number one in a world of noones Flying false flag won't get you far...
