Visit "[Freedom Or Fate](#)" on [MotoLyrics.com](https://www.motolyrics.com)

There's a way to repent all your sins  
If you live by their rules they will make sure you're fine  
Do what you're told or you won't live for long  
Your salvation has only begun...

Finding the truth is their reason  
So follow the lies which will lead you astray  
And as the bombers arrive over the wide horizon  
There'll be no more to do than to pray

In the name of the father, the son and the spirit  
You'll die by the hand of your fate  
There's no light at the end of the tunnel,  
And no remorse for what happened today

Cuz they do this for themselves, it's not a liberation  
They say "jump and don't ask why"..  
... and build you up so they can tear you down  
They build you up so they can tear you down
