Marcha, Marcha, if you're lucky enough  
Then you will kill  
Yeah you will kill  
This karaoke style of talking  
That the fat chicks  
Embody

I'd much rather  
Go out with the boys  
I'd much rather  
Go out with the boys

I'd much rather go out with the boys  
I'd much rather go out with the boys  
Than with you

I would have stayed at home  
If I know you were here  
But you always haunt me  
With motives unclear  
Yeah you haunt me, you haunt me  
'Till I've paid for what I've done  
But the only crime  
Is that I have some fun

I'd much rather  
Go out with the boys

I'd much rather  
Go out with the boys

I'd much rather go out with the boys  
I'd much rather go out with the boys  
Than with you

'Cause the only thing you do  
The only thing you do  
Is just you talk too much

You're just living for the weekend  
You're just living for the weekend

I'd much rather  
Go out with the boys  
I'd much rather  
Go out with the boys

I'd much rather go out with the boys  
I'd much rather go out with the boys  
I'd much rather go out with the boys  
I'd much rather go out with the boys
