Love gone wrong
Under an ashfall moon
Frankly I don't think
It's gonna come back pretty soon
The times we've known
Baby they're gone
We're living on hope alone

I'm walking round the town
With a heart which size is to big
I dated all the girls
Gonna do it again but with a wig
The times we've known
Well baby their gone
We're living on hope alone

So first I didn't even notice
What awful shape that I was in
So tell me baby
When will my life begin

Guitar
Guitar!

We're just living on hope alone

So first a didn't even notice
What an awful shape that I was in
So tell me baby
When will my life begin

Love has been gone
Gone so long
So love has been gone
Gone so long

It's nothing new
It's nothing new
To be living on hope alone
Living on hope alone

I feel lone

Alone
Alone
Alone
I'm alone on the stage
Like a stone on a grave
Alone on the stage
Like a stone on a grave
I'm alone

(Tatata-tata)
I'm just living on hope alone

Get your ass back here, girl
