Yes I will you know that I will
Yes I will cos I'm sure that I will
Love you love you love you
So no matter what they do
And no matter how they contradict
My philosophy, I know that
I will keep on loving you
So no matter what they do
And no matter how they contradict
My integrity, I know that
I will keep on loving you
See I will keep on loving you
Until the wind stop blowing in the air
Oh oh I will keep on loving you
Until the morning dew stop falling
Lightly on the ground
Oh I will keep on loving you
Until until
So no matter what they do
So no matter how they kinda fool me
Trying to fill my head with lies
I will keep on loving you
So no matter how they persecute
My decision through righteousness
I will keep on loving you
Ya see I will keep on loving you
Until the sun refuses to give
Its light to all
Oh I'll keep'on loving, you
Until the moon it stops glowing at night
Oh I'll keep on loving you
Until until

Until all the mountains
Have crumbled down
Yes all of them are washed
Into the sea you see
They could try a little more
They could really come to cold I up

But I know that

I will keep on loving you
For the fear of his wrath
Yes the fear of him is always present
Always ever present in my heart
I will keep on loving you
See even when I'm down there
In their prison cell I know that
I will keep on loving you
When the times get rough
And they say there's not enough
To go around
I will keep on loving you
Yes I will I'll keep on loving you
When life gets dreary I won't get weary
You see I and I aswad by the grace of God
Living in the righteous way
