Asle Bjorn Pr Leya ft Anne K - Lucky You

Silly you, Where are you going
You don't need to leave
Check yourself, your thoughts are showing
What's up your sleeve

Silly you
Who are you fooling
It's all clear to me
Forgot yourself, you need some schooling
You're already free

(2X)
I had a talk with you in my head
You lucky you
A view of you from your bed
I'm lucky too

I listen up when you are speaking
What's behind your lies
What outside is that you're seeking
When the inside shies

I look at you when you are sleeping
You are far away
You must have gone down into the deep end
I'm at your bay

(2X)
I had a talk with you in my head
You lucky you
A view of you from your bed
I'm lucky too

Feeling you, where are you going
You don't need to leave
Check yourself, your thoughts are showing
What's up your sleeve

(4X)

I had a talk with you in my head
You lucky you
A view of you from your bed
I'm lucky too

You lucky you...
