In my loneliness
When you're gone and I'm all by myself
And I need your caress

I just think of you
And the thought of you holding me near
Makes my loneliness soon disappear

Though you're far away
I have only to close my eyes
And you are back to stay

I just think of you
And the sadness, that missing you brings
Soon is gone and this heart of mine sings

Yes, I love you so
And that's for me, is all I need to know

I will wait for you
Till the sun falls from out of the sky
For what else can I do

I will wait for you
Meditating how sweet life will be
When you come back to me

I will wait for you
Meditating how sweet life will be
When you come back to me
