Someone to hold me tight, that would be very nice
Someone to love me right, that would be very nice
Someone to understand each little dream in me
Someone to take my hand, to be a team with me

So nice, life would be so nice, if one day I'd find
Someone who would take my hand
And samba through life with me

Someone to cling to me, stay with me right or wrong
Someone to sing to me some little samba song
Someone to take my heart and give his heart to me
Someone who's ready to give love a start with me

Oh yes, that would be so nice
Shouldn't be you and me
I can see it would be nice

Someone to cling to me, stay with me right or wrong
Someone to sing to me, some little samba song
Someone to take my heart and give his heart to me
Someone who's ready to give love a start with me

So nice, that would be so nice
Shouldn't be you and me
I can see it could be nice
