Iâ€™ve been thinking
Iâ€™ve been wondering
Iâ€™ve been wondering
where have you been

Iâ€™ve been sad, Love
Iâ€™m so lost, Love
Iâ€™ve been crying
Where have you been?

Every sound I hear
I think you â€™re near
I think itâ€™s you at the door
but it wasnâ€™t you
and I go back
to my sad waiting

Iâ€™ve been thinking
Iâ€™ve been wondering
doesnâ€™t matter
where you have been

Whereever you are
come running to me
Come back, oh please
come back

Iâ€™ve been thinking
Iâ€™ve been wondering
doesnâ€™t matter
where you have been

Whereever you are
come running to me
Come back, oh please
come back

Come back, oh please
come back
