"Seance Of Shamans"

Visit "[Seance Of Shamans](#)" on MotoLyrics.com

Seance of shamans
gathered in the polar night
samoyedshaman commences the rite
ecstatic play

Summoning the spirits
from the regions of beyond
journey to the land of dead
brings the spirits among the living

Piece of beyond reality
inside this teepee

Discussion begins
as the shaman is now possessed
spirits have taken his body
demons talk with his voice

Altered consciousness
deep state of trance
then the rapture disappears
stream of consciousness splits off

Ecstatic play
now finished as the shaman falls
this unconscious witch
now returned from his mental trap
