"Thule"

A dangerous element: Insanity glorified
People of the snake led to slaughter

Steel fist - Pure Blood Doom
Powerlust - Ecstasy

God re-animation
All-Father nation...
Reich for Wotan
by Hatred canonization

Priesthood of hate,
pagan black order
Under twin runes of fear;
Templars of insanity

The unknown Thule...
Lost harsh paradise,
Origin of the giants...
Buried under eternal frost.

The sangreal quest:
Dreams of royal blood...
In the heretics trail
to the lost Catharian sacrament

Secret chiefs in wait
for eugenic slaughter...
Ancient prophecy fulfilled
by scapegoat extermination
