Hot touch in the club  
make me cause a scene  
s-scene s-scene  
in the club the club  
don't stop hold me tight  
we only got tonight  
in the club the club tonight

tonight  
tonight  
tonight  
(all night)  
we can push it harder tonight  
tonight  
tonight  
lets just push it harder tonight

you can do whatever you like lets push it harder tonight  
lets push it push it push it push it harder tonight  
i can see that boy on your right  
but its you that i like  
lets push it push it push it push it push it harder tonight

push it harder get real low  
that chicks about to blow  
bk on my left side  
every girl on the right side  
wait a minute where did she go  
dang shes back on the dance floor  
cruising up another boy  
and shes about to loose it

tonight  
tonight  
tonight  
(all night)  
we can push it harder tonight  
tonight  
tonight  
lets just push it harder tonight

only if only you can hold me

come and show me  
we can push it baby  
hold me if feel me  
we can get it started  
i can feel you all night  
at this party all night  
if you feel me  
we can get it started  
all night  
all night  
all night

Hey girls  
you found love?  
sing it out for me ladies one time  
my type of guy is bad he likes to push it tell me  
what kind of guy you have  
can you handle it?  
my type of guy is bad and likes to push babe  
tell me what kind of guy you have but can you handle it  
all night  
all night...
