You wanna pray
Well you know you gotta pay
'Cause the church can only hear the sound of change

Falwell is on TV again
He wants you to pay
For his new Mercedes Benz

Pope on a rope
Jesus beach towels
Chocolate crosses
Bible comics
Pope on a rope
Religion for sale
True salvation
Can not be bought

It's all a sell
Are you so dumb that you can't tell
Or are you just scared you'll go to hell
I'm not against religion of any kind
But money can't buy religious peace of mind
