Not my idea of a vacation  
I want rest and relaxation  
Don't wanna go out and see the streets  
Sightseeing really bites

Marvel at the land formations  
And the antique restorations  
I don't care what happened here  
Rather sit back and drink a beer than

Walk around in Bermuda shorts  
Stay in overpriced resorts  
And buy some stupid souvenirs

Stop off at a place of interest  
Walk around and take some pictures  
Stroll around like a jerk  
Sightseeing's for the birds

Driving around on a crowded bus  
With smelly people really sucks  
Don't want to sleep in tourist traps  
Don't want to sleep with bugs and rats or
