### "Call The Police"

They've got their beady,  
Piggy eyes on everything we do  
(the strong-arm of the warlords,  
Break down your door)  
That's why I've got a 1,000 names  
For the bastards that wear blue  
(wrong arm of the law  
Rotten to the core)  
"Pig", "Bacon", "Rozzer", "Fuzz",  
"Babylon", "Five-O",  
(these animals? protect us?),  
Might as well say "Fuck-heads"  
'cos that covers it in 1 go,  
(tell these fucks... where to go),

Call the police!  
Call the police!  
Call the police bastards  
Phone 9-9-9  
Call the police!  
Call the police!  
Call the po... call the policeman a swine

Get these beasts off my back  
Get these bastards in black  
get these mother-fuckers  
Off my street  
Wankers... on the beat
