"Elephant Talk"

Visit "[Elephant Talk](#)" on MotoLyrics.com

Talk, it's only talk
Arguments, agreements, advice
Answers, articulate announcements
It's only talk

Talk, it's only talk
Babble, burble, banter
Bicker bicker bicker
Brouhaha, balderdash, ballyhoo
It's only talk
Backtalk

Talk, talk, talk, it's only talk
Comments, clich's, commentary
Chatter, chit chat
Conversation, contradiction, criticism
It's only talk
Cheap talk

Talk, it's only talk
Debates, discussions
These are words with a "d" this time
Dialogue, duologue, diatribe
Dissension, declamation
Double talk, double talk

Talk, talk, it's all talk
Too much talk, small talk
Talk that trash
Expressions, editorials, explanations
Exclamations, exaggerations
It's all talk

Elephant talk, elephant talk, elephant talk!
