Planes strafed the hill side

"Top Gun" for our eyes

Designer warfare

Watch the share prices rise

G.I. Joe stays safe in his tank

At the front

Politicians say who dies in the Hunt

Deluded troops of Uncle Sam

Force their beliefs on foreign lands

Toy soldier! -watch him go!

Wind him up! -catch the show!

It's the same in every war

Devastate with shock and awe

Annihilate the weak and poor

A devil in a soldier's uniform

Corporation play-thing

Acting out their role

Destruction is the game with money as their goal

Business man stays safe

In his house far away

Action man hero

Repeats what he says

Gods hypocrites they take their fill

Metal angels swoop to kill

Fight for the right (to be a dick)

Pictures that we see

Never show the true story

Choreographed battles

And a fake march to glory

Edit out the death

Rate the slaughter P.G.

1000's lie dead they don't

Want us to see

Fight for a God they never seen Spread the words of
the obscene

Fight!

Right!

Dick!
