Tooth chip & thrash  
Elbow to your face  
Get in the pit  
If you cannot stand the pace  
Violent breed is raging  
Punch suckers on the jaw  
Losers on the outside  
Kick suckers to the floor

Punks & thrashers together as one  
A raging whirlwind  
Where violence is fun  
You'll feel it tomorrow  
When you awake  
Your skin bruised purple  
And your bones all ache

A squadron of psychos  
The floor their war-zone  
Drunken schitzo the gutter their home  
Slams like a madman  
Acts like a fool  
Break heads, snap bones  
Tear down walls

Punks & thrashers moshing as one  
A bar-room brawl  
Where violence is one

Get in the pit-in the pit!

And form a circle  
Get in the pit-in the pit!  
Do your shit-in the pit!  
Get in the pit!

Total madman dude watch him rage  
Slams like a pro, jumps off the stage  
Hates Nu-Metal bands  
Thinks they suck  
Got a look in our eye  
That says don't fuck

Stuck in a time-warp since '88  
Never gave up always kept faith  
Old-school warrior true to a cause  
Not a sold-out bitch  
Like those Nu-Metal whores

Kids are thrashin' all around  
Banging heads to the sound  
Going round in circles  
To the beat of the band  
Moshing like a lunatic  
Drinkin' beer until you're sick  
Diving off the P.A. never knowing  
Where you're gonna land
