Voices repeat-psychotic echo  
Raging on - pray for release  
Soul touched; burning  
Marked with shit  
Repetitionâ€¦never comes peace

Broken remnants-shattered mind  
Madness reigns to cure all ill's  
Impulse driven - corrupted view  
Single-mindedâ€¦thou shalt kill

God told me to!  
God told me â€¦so God help you!

Inner-sanctum, walls torn down  
Broken mirrorâ€¦I hate myself  
Thoughts controlled  
Black heart pounds  
Instinct rules; resistance?â€¦dead!

Do it!
