17 minutes past the hour  
The motherfucker waits  
Evil look in his fucking eyes  
Like a Wolf lurks by the gates  
Eyeing up little children  
This fucker deserves to die  
I'll cut this fuckers throat,  
His throat, and bleed the bastard dry

I... don't see... why I  
Can't just execute this guy  
He's slime; pond life

i killed a whore  
Near a liquor store  
I killed a whore  
Had to even the score  
I killed a whore  
Territorial war  
I killed a whore  
Killed a whore

Nearly half-past 12  
Out the wood-work junk-heads crawl  
Fucking filthy, fuck-heads  
They've got no self-respect at all  
Drop their used syringes  
In the street and on my path  
I'll stick their fuckin' needles  
Up their dirty Junkie ass

These are our streets  
We'll take them back  
From the mother-fuckers dealing Crack,  
Smash them in the fuckin'  
...face the fact  
This is our world  
I'm sick and tired  
Don't even think  
I'm half-way done  
With your Punk-ass

You low-life
