"i do remember one thing...it took hours and hours,  
And by the time I was done with it  
I was so involved I didn't know what to think...  
I carried it around with me for days and days,  
Playing little games,  
Like not looking at it for a whole day and then...  
Looking at it to see if I still liked it...  
I did!"

"i repeat myself when under stress I repeat myself  
when under stress  
I repeat myself when under stress I repeat...  
The more I look at it, the more I like it  
I do think it's good  
The fact is, no matter how closely I study it,  
No matter how I take it apart,  
No matter how I break it down  
It remains consistent..  
I wish you were here to see it!"

"i like it!"

"i like it!"
