The man above says join our flock  
The man bellow says suck that cock  
Man on T.V says believe in my  
Man in a suit is deceiving me  
Man in the church says give to the poor  
Man in the frock is a company whore  
The boss at work fucks the average joe  
Well tell these assholes where to go!

Won't be, won't be  
Won't be part of the system  
Zombie, zombie  
You can bark your own  
But I won't listen

Zombie nation  
This zombie nation  
That we call our home  
Zombie nation  
The population is comatose

Man in the ad. isn't better than you  
Woman on throne needs to shit like you  
Man on the silver screen has problems aswell  
Celebrity Gods in a personal Hell  
Man with the power counts his cash, not the dead  
Man with the camera uses the lens in your head  
Man at the papers tells goons what to think  
Man in the company poisons what we drink

No-one I know thinks for themselves  
Selfish mother-fuckers  
Rule the roost control your mind  
Control your mind  
Won't be part of the plan  
Control your mind  
Won't bow to the business man  
Control your mind  
Won't be part of the scheme  
Control your mind  
Dumb-fucks in an endless dream
