In a different style  
Dub plate spinning all the while  
What the people wanting  
Dub plate till a morning

That's what they all are shouting for  
Can you hear them  
Seems they just can't refuse it  
Just go to bounce and use it

Seems they were born with rhythm within  
And you couldn't give up now  
You know you couldn't give up now  
Couldn't give up now

What you do dancing to the rhythm  
Of the drum and bass line  
To the question that you're asking  
It's clear to see my friend

Time before when we use music  
To cool our very soul  
And when slave master beat I with the whip  
And he made I jump and twist

We use that music to cool us down I say  
You couldn't give up now  
You know you couldn't give up now  
Couldn't give up now

What you do dancing to the rhythm  
Of the drum and bass line  
To the question that you're asking  
It's clear to see my friend

Time before when we use music  
To cool our very soul  
And when slave master beat I with the whip  
And he made I jump and twist

We use that music to cool us down I say  
You couldn't give up now

You know you couldn't give up now  
Couldn't give up now

What you do dancing to the rhythm  
Of the drum and bass line
