Yes I will, you know that I will
Yes I will, 'cos I'm sure that I will
Love you, love you, love you

So no matter what they do
And no matter how they contradict
My philosophy, I know that
I will keep on loving you

So no matter what they do
And no matter how they contradict
My integrity, I know that
I will keep on loving you

See I will keep on loving you
Until the wind stops blowing through the air
Oh oh, I will keep on loving you
Until the morning dew stop falling
Lightly on the ground
Oh, I will keep on loving you until, until

So no matter what they do
So no matter how they kinda fool me
Trying to fill my head with lies
I will keep on loving you

So no matter how they persecute
My decision through righteousness
I will keep on loving you

Ya see I will keep on loving you
Until the sun refuses to give, its light to all
Oh, I'll keep'on loving, you
Until the moon it stops glowing at night
Oh, I'll keep on loving you until, until

Until all the mountains
Have crumbled down
Yes all of them are washed
Into the sea you see

They could try a little more

They could really, really really come to cold I up
But I know that
I will keep on loving you

So no matter what they do
And no matter how they trick me fool me
Trying to confuse me with their lies
I know I will keep on loving you

For the fear of his wrath
Yes the fear of him it's always present
Always ever present in my heart
So I will keep on loving you

See even when I'm down there
In their prison cell I know that
I will keep on loving you
When the times get rough
And they say there's not enough to go around
I will keep on loving you

Yes, I will I'll keep on loving you
When life gets dreary I won't get weary
You see I and I Aswad by the grace of God
Living in the righteous way
