Necessity,
The mother of I and I inventions
Are using what Jah gave us
And there was plenty
In mother Africa
Government society
Colonialise the black nation
Government society
Colonialise the black nation
Left us crying
Natural progression
Natural progression
Natural progression
Natural progression
Now you confuse I early tuition
Hold I customs then you call it
Religion
Inventing military weapons to gain

Supremacy - over I
Inventing military weapons to gain
Supremacy
Natural progression

They want to execute political systems
- on I and I
They want to execute political systems
- on I and I
They want to execute political systems
- on I and I
They want to execute political systems
- on I and I
