Ooh, ooh, ooh, ooh, well
Ooh, ooh, ooh, ooh, alright
Na, na, na, na, na, na, oh, well
Na, na, na, na, na, na, alright

I need your love, more than just an hour
I need your love, more than just a day
So hold me close, my love will never falter
I need your love each and every day

Now I want to hear
That we can be together
Our hopes and our dreams
We can see this way

Won't you open up your heart
(Open up and let love in)
And let me in
(Let this loving feeling in)

For you and I will never part
(Open up and let love in)
That you should know so
(Let this loving feeling in)

I need your love, more than just an hour
I need your love, more than just a day, baby
So hold me close, my love will never falter
I need your love each and every day

Honey, I need your love
Yes, I need your love

And now the time has come
For us to join together
(Us to join together now)
I hope and I pray
We'll see a better day

Won't you open up your heart
(Open up and let love in)
And let me in?

(Let this loving feeling in)

With this feeling in my heart
(Open up and let love in)
We can last for a lifetime
(Let this loving feeling in)

I need your love
(Well, more than just an hour)
I need your love more than just a day, baby
So hold me close, my love will never falter
I need your love each and every day

Na, na, na, na, na, na, oh, well
Na, na, na, na, na, na, alright
Woo, well
Ooh, ooh, ooh, ooh
