Roots, roots rocking everyday  
I and a Zion daughter is rocking to the dance tonight  
Step and do it alright [unverified]  
Roots rocking, roots rocking, roots rocking, roots  
rocking

Oh no, you'll never let the music stop  
I want just one more dance with you  
So let the music play on and on, on and on and on  
I say I feel vibrations, I wanna know  
Are you feeling the same way too, oh little woman, are  
you?

It's so nice, I wanna feel the same thing twice  
It's so nice, I wanna feel the same thing twice

Zion daughters, roots rocking to the roots reggae  
Zion daughters, roots rocking to the roots reggae

Wherever we go we know the trouble will find us  
So pick us above, now woman a leave your worries  
behind you

Dance to the music 'cause you know that is fine  
Even know a culture though they trying to hide

In day only knew I would feel a when we dance to Jah  
music  
One thing I know is they would love to feel it too  
Tonight the feeling is fine, tonight the feeling alright

So Mr. DJ don't stop the music  
I said we're going on the way and we don't want no bus  
Morning time comes we'll just get on that fast  
No trouble no fuss, I and I
