I think that I would miss you
Even if I never met you
Even if I'd left my house
Three minutes too soon

Cause I think we have a chance here
Think I'm gonna wait it out, dear
Cause you're something I can put
My heart into

Chorus:
So burn me up tonight
Make a fool out of the sunlight
And baby, don't you go, go, go
The fire in my chest
Will not let me rest
It's moving fast
And burning slow
Will you ever know

Forgetting what we fight for
We love and then we fight more
But it's just us in this room
Four walls, no doors

Everyone I know can see this
They tell us to get out quick
But I've got a feeling
That you might be it

Chorus

So burn me up tonight
Make a fool out of the sunlight
And baby, don't you go, go, go
The fire in my chest
Will not let me rest
It's moving fast
And burning slow
Will you ever know
Will you ever know

Burn me up
Burn me up

Will you ever know
Will you ever know
Burn me up slow
