When she takes  
She takes me far from my mistakes  
God knows I've made some  
I have run and I have fallen  
Tearing all my curtains down  
Here she comes, my only freedom  
A note slips under my door

I can feel her, I believe her  
When she tells me it's ok  
I know she's trying, if she's lying  
It don't matter anyway  
Cuz she makes me stronger, stronger one more day

When she breaks  
She makes my heart break  
Loves me like a wrecking ball

I can feel her, I believe her  
When she tells me it's ok  
I know she's trying, if she's lying  
It don't matter anyway  
Cuz she makes me stronger, stronger one more day

Oh my love, my shining river  
The valley is dark, but you know the way  
A listening choir, my hallelujah  
You're not afraid of what I can't see

I can feel you, I believe you  
When you tell me it's ok  
I know you're trying, if you're lying  
It don't matter anyway  
Cuz you make me stronger, stronger when you take  
You make me stronger, stronger when you take  
When you take.
