"Take You Home"

(feat. Ghostface Killah)

Take me home
Take me home

Baby I know you're wondering
Why I won't go over to your place
Cause I'm not to sure about how you feel
So I'd rather go at my own pace
And I know and you know that if we get together
Emotions will go to work
And I may do something I might regret the next day
And end up hurt
Oh I don't know...

That's the way that I feel
I'm so afraid of a one night deal
I wonder if I take you home would you still be in love
baby
Because I need you tonight
I wonder if I take you home would you still be in love
baby
Because I need you tonight

Your love is... no good
Take me home

Lately you've been expressing to me
Just how much you want to make love
I want it just as much as you do
But will you still keep in touch
You say I'm teasing but ought to have a reason
Don't let your feelings fade
Cause you will have me and sooner than you know it
If you could only wait
Oh I don't know...

That's the way I feel
I'm so afraid of a one night deal
I wonder if I take you home will you still be in love baby
Because I need you tonight

I wonder if I take you home will you still be in love baby
Because I need you tonight

[Ghostface Killah RAP:]

Boo you stop that
Let me smash that
You know the kid definetly gunna call back
In fact I might not leave your crib
Make music on your body with my mouth like tha biz
So stop teasing me and start pleasin me
Cause we could both share a crib and start switching
keys
I anit tryin to just sit in the crib but if this is true love
then it can last for a minute
Let's be oust we can practice makin babies
I said practice baby don't go start gettin crazy
We got a lot of love makin to do
And I promise in the morning I still be loving you

Tired of the games been there done that
Lookin' for the real thing if you got that
Must be commited if you in this need an investmeant
before I give you the business

I Know your ready
And it's hard to resist you really do turn me on
I anit ready to give it up for you just to leave me in the
morning

I wonder if I take you home will you still be in love baby
Because I need you tonight
I wonder if I take you home will you still be in love baby
Because I need you tonight

Your love is...
No Good!

Take me home
