In this time
I know I need to be more broken
Then I find
I feel this passion grow

To face all that I've been lost
It's not too late to give control now
I don't know why I wait
You're always calling me

Tonight
I will take my cross
Tonight
I will count this cost

Tonight
I will realize
To take hold of this very moment

In this time, You draw me
By these words You've spoken
I feel inside
This never-ending hope

I've placed all that I trust
In knowing, one day I will see You
The only thing worth holding onto
Is holding onto me

Tonight
I will take my cross
Tonight
I will count this cost

Tonight
I will realize
To take hold of this very moment

Oh, I will take this moment
And I feel that it's closer
And I kneel to show You
This desperate heart of mine

Tonight
I will take my cross
Tonight
I will count this cost

Tonight
I will realize
To take hold of this very moment

Tonight
I will take my cross
Tonight
I will count this cost

Tonight
I will realize
To take hold of this very moment

Tonight
Tonight
