When the sunshine shows through the leaves  
And brightens the green lawns,  
It is the sign of beautiful day  
And suitable moment for dreaming.

Rise up my mind's power!  
I utter the spell,  
Let the forgotten rise,  
Let the fairies rouse.

The stars are out in the daytime,  
The wild wind is blowing all around.  
I am crying out the secret magic.  
I am standing on the barrow of the cursed.

Let the golden forests revive,  
Let the songs sound.  
The golden leaves will be glittering on the hair  
By fairies' dance.
