Thou shall confess

[Missy]

Uh, uh, oh

Ooh, ooh

Ooh, ooh

Ooh

Ooh, no, ooh

ooh, ooh, no

[Missy]

Verse one

[BeyoncÃ©]

The day you pissed me off

I told Mike to pick me up

I told him you was buggin' and I don't like to fuss

He said he would look out for me

If I needed a friend

He took me to his house and then he invited me in

Then we sat on the couch, he put his arms around my waist

Knowin' I need lovin' and then he grabbed my face

He kissed me like a guy could never kiss a girl before

So you know what happened baby

I need to say no more

1 - I'm just confessing 'bout the things I did

I might as well come clean

What you feel about that baby

I'm just confessing 'bout the things I did

I might as well come clean

What you feel about that baby

2 - I'm just guessing that you're through with me

Cause I just came clean

What you feel about that baby

I'm just guessing, are you through with me

Cause I just came clean

What you feel about that

[Missy]

Verse two

[Beyoncé]

Remember the time you wondered where your money
went

I called my friends and bought some clothes

And took them on a trip

I met a dude that had a Jeep

And we talked all the time

He asked me about my man

And you know that I had to lie

He thought I had no man and I was chillin' by myself

Don't get mad cause I feel sad

That's why I must confess

Too many times I wanted to let you know my dirt

But everytime you said you loved me

I knew it would hurt

Repeat 1

Repeat 2

3 - I was mad, what was I to do?

Never had it in mind to play on you

But look at all the hurt you put me through

I can't tell a lie so I'm tellin' the truth

I was mad, what was I to do?

Never had it in mind to play on you

But look at all the hurt you put me through

You know, you know

Repeat 3

Repeat 1

Repeat 2

[Missy]

Confess

Come clean, boo

Yo, what you feel about that

What you feel about, uh

What you feel about that

Heh heh, confessing baby

Misdemeanor, Destiny, uh uh

Repeat 2
