See the restless  
Lost without a cause  
And the soldiers searching for a war...  
Fight for glory, knights of the brave  
And the lonely heart inside will break  
How many battles does it take  
For a man to close his eyes and pray?

Love is a pure heart  
(washing your tears away)  
Love is a baby in your arms  
Love is a fine art  
(turning the night into day)  
Hope will return  
When love is the lesson we learn  
Love is a pure heart..

And the fearless  
March upon the world  
Like the valiant lionhearts of old  
The light is fading in their eyes  
And the dreams they hold - swept aside  
How many tears must an angel cry  
For a man to hear the voice inside?

Love is a pure heart  
(washing your tears away)  
Love is a baby in your arms  
Love is a fine art  
(turning the night into day)  
Hope will return  
When love is the lesson we learn  
Love is a pure heart..

Let the mists of time draw us closer  
The truth is waiting there  
And even if the shadows call us  
Feel it in the air and everywhere...

Love is a pure heart  
(washing your tears away)

Love is a baby in your arms  
Love is a fine art  
(turning the night into day)  
Hope will return  
When love is the lesson we learn  
Love is a pure heart...
