"Then we dance"

Can you hear the pipes a'callin
Can you feel it in the air
Can you hear the drums a'drumming
The sound of thunder everywhere...
Oh - then put your hand in mine, my love
Upon this starry night
And I will show your mortal soul
The way to paradise

Then we dance
On and on 'til the night is over
Then we dance
Round and round
Without a sound
Above the ground
United when we dance...

Oh, let us raise a glass together
And let us sing for "Auld Lang's Ayne"
When the music plays forever
Let us move in perfect time...
Oh - then take me in your arms again
And lead me to the floor
And I will hold this heart of gold
To me forevermore...

Then we dance
On and on 'til the night is over
Then we dance
Round and round
Without a sound
Above the ground
United when we dance...

And the child that lies in every soul
Cries for freedom, young and old
So lift your spirit to the sky
And then we'll dance
In the dance of life...

Then we dance

On and on 'til the night is over
Then we dance
Round and round
Without a sound
Above the ground
United when we dance...
