And I told you
But you didn't trust me
So your next step is
Fucker Fucker Fucker

I am not cool cause I am not Britannian
I am not cool cause I am Italian
I am not cool cause I am too tall
I am not cool cause I get too stoned
I am not cool cause I am alone
I am not cool cause I am alone

I am not cool cause I lost my job
I am not cool cause I lost my dogs
I am not cool cause I talk like that
I am not cool cause I have no flat
I am not cool cause I am obsessed
I am not cool cause for a while I didn't have any sex
I am not cool cause for a while I didn't have any sex

Je ne suis pas cool
Je ne suis pas cool

I am not cool cause of my moustaches
I am not cool cause I always need a wax
I am not cool cause I am insecure
I am not cool cause I am very obscure
I am not cool cause I am very obscure

I am not cool cause of my dandruff

I am not cool cause I always shave
I am not cool cause I am too tall

I am not cool cause I receive no calls
I am not cool cause I am obsessed

Je ne suis pas cool
Je ne suis pas cool

And I told you
But you didn't trust me
And I told you
But you didn't trust me
So your next step is
Fucker Fucker Fucker

Je ne suis pas cool
cause I am not Britannian
Je ne suis pas cool
cause I am Italian
Je ne suis pas cool
cause I am too tall
Je ne suis pas cool
cause I get to stoned
Je ne suis pas cool
cause I am alone
Je ne suis pas cool
cause I am obsessed
Je ne suis pas cool
cause I am obsessed
Je ne suis pas cool

I am not cool cause for a while I didn't have any sex
