Seems like the other day  
My baby went away  
She went away, 'cross the sea

It's been two years or so  
Since i saw my baby go  
And then this letter came from me

It said that we was through  
She found somebody new  
Oh, let me think, let me think  
What should i do

(chorus)  
Oh, no  
Oh, no  
Oh, no no no no no  
(remember), walking in the sand  
(remember), walking hand in hand  
(remember), the night was so exciting  
(remember), her smile was so inviting  
(remember), the she touched me cheek  
(remember), with her fingertips  
(remember), softly  
Softly we met with a kiss

Whatever happened to  
The gal that i once knew  
The girl that said, she'd been true  
Oh, whatever happened to  
The night i gave it to you  
What did i do with the night  
Oh...

(chorus)

Whatever happened to  
That girl that i once knew  
That girl that said, she was true  
Whatever happened to  
That night i gave it to you

What would you do with the night
