Spider-man, Spider-man.  
Does whatever a spider can.  
Spins a web, sweet surprise.  
Catches thieves, just like flies,  
Look out!

Here comes the Spider-man!

Is he strong? Listen, Bud!  
He's got radioactive blood.  
Can he swing from a thread?  
No escape from his spider web.  
Look out!

There goes the Spider!

In the chill of the night,  
At the scene of the crime,  
Like a laser light,  
He arrives just in time.

Spider-man, Spider-man,  
Doin' the impossible, why? Because he can.  
Spider-man, Spider-man,  
Doin' what he gotta yeah according to the plan  
Look out!  
Life is a great big bang-up,  
Wherever there's a hang-up,  
You'll find the Spider-man!
