It's Wayne's World, it's Wayne's World
It's party time, it's excellent
It's Wayne's World, it's Wayne's World
It's party time, it's excellent

Chicks go mental when we go down the street, ooo
It's Wayne and Garth when they want to meet
Yeah, we're in the basement playing with our toys
And if you do not like it you're a sphincter boy

Ow! Wayne's World, Wayne's World
It's party time, it's excellent
Wayne's World, Wayne's World, Wayne's World
It's party time, it's excellent, yeah
Yeah thank you thank you goodnight, goonight
