What ya gonna do when the angel's come  
Ya move on; can't move them  
I'm gonna get your kicks from the 911  
It's moving; so soothing

Your passions deplete, it's just looking to feed  
Your own fantasy  
The blind side of you is a bad dream come true  
That you can't see

*[CHORUS]*

From an Angel's Eye  
Kiss Your Life Goodbye  
From An Angel's Eye  
Ain't no place to hide

Tell me what you see through an Angel's Eye  
The halo; on fire  
You never really know till it's do or die  
Your devil's desire  
Your running in place like a rat in a race  
Going no where  
The evil you speaks from the tongue of the freaks  
So don't go there

*[CHORUS]*

*[GUITAR SOLO]*

What ya gonna do when the angel's come  
What ya gonna do when you come undone  
I'm gonna get your kicks from the 911  
Ya so bad; can't hold them

From an Angel's Eye  
Kiss your life goodbye  
From an angel angel angel's eye  
Ain't no place to hide

Fallen Angel  
Fallen Angel  
Fallen Angeeeeeeeeeeeeeeeel.
